Franks.

1st, The Peers of Parliament and the Members of the House of Commons are entitled to send and receive letters free of postage under certain restrictions.

2d, They cannot receive above fifteen, nor send above ten letters in any one day. For excess of number, those liable to the lowest rate of postage are to be charged.

3d, No letter must exceed the weight of one ounce.

4th, Letters cannot be delivered free to a Member unless he is at the place to which such letters are directed, excepting only those which are addressed to the usual place of his residence in London, or to the lobby of the House of Parliament to which such Member belongs.

5th, Letters sent by a Member, must, to entitle them to pass free, be superscribed wholly in the hand-writing of that Member, and must have endorsed on them the name of the Post Town from which the same are intended to be sent, the day, month and year, when they are put into the Post-Office, the day of the month to be in words at length, and the Member must be within the said Post Town, or within twenty miles of it, on the day, or the day before the day on which such letters are put into the Post Office thereof.

6th, All the letters which Members can send or receive free must be to and from places within the United Kingdom of Great Britain and Ireland.

7th, Foreign and Ship Letters are therefore excluded from the privilege. All franked letters put into the Twopenny Post, in London, are liable to the Twopenny Post Rates, and are also liable to the Penny Rate when going into or coming from any of the Country Penny Posts.

8th, The Act of 54th Geo. III. Cap. 169, Sect. 17. enacts, that it shall be lawful for every Member of either House of Parliament to receive by post any petition addressed to either House of Parliament, free from the duty of postage, so as the same be sent in a cover open at the sides, and that the same shall not exceed the weight of six ounces.

Newspapers, Printed Votes, and Proceedings in Parliament.

By the 42d of Geo. III. chap. 63, Members of both Houses of Parliament, and the clerks of the two Houses, are authorised to send by the post, within the United Kingdom, any printed votes or proceedings in Parliament, free of postage, provided the same be sent without covers, or in covers open at the sides, signed on the outside thereof by the hand of any Member, or either of the said respective clerks; and it is also lawful for the respective Members and clerks to authorise such printed votes or proceedings to be sent by the post, in covers open at the sides, free of postage, addressed to them at such places within the said United Kingdom as they shall have previously given notice of in writing to the Postmaster-General, either at London or Dublin.

Also certain clerks in the Offices of the Secretaries of State, London, are authorised to send printed votes and parliamentary proceedings, in covers open at the sides, signed on the outside by the said clerks in the manner they have been accustomed to do.

By the 42d Geo. III. chap. 63, and 6th Geo. IV. chap. 68, printed newspapers may be sent by the post within the United Kingdom, free of postage, provided they be sent without covers, or in covers open at the sides.

All votes, parliamentary proceedings, and newspapers, sent otherwise than under the above regulations, are chargeable with the full duty of postage by any Officer or Postmaster who detects the irregularity.

### *Form of Proceeding in the Recovery of Small Debts.*

Debts may be recovered, in a summary form, before the Justice of Peace Courts, to the extent of £5; and before the Sheriff Courts, to the extent of £8, 6s. 8d.

The first step is to set forth in a complaint or libel, agreeably to a prescribed form [the Clerks of Court will provide all necessary forms,] the origin of the debt, or ground of action, and to cause the same, with a copy of the account, if any, to be served on the defender.

A warrant will, at same time, be obtained to cite witnesses, and, when the case is before the Sheriff, to use arrestments.

The parties may appear either by themselves, or by members of their families, or others whom the Court may authorise; but in no case by persons practising the profession of the law.

If the defender fail to appear, after being cited personally, he will be held as confessed, and judgment will be given against him.

If the defender has not been cited personally, he will receive a second citation; after which, whether given personally or not, he will be held confessed, as above.

But, when decree is given in absence against the defender, he may, before the expiry of the charge, apply for a rehearing on consigning the sums decerned for.

If decree in absence be given against the pursuer, he may, within one month, obtain a rehearing on consigning of 2s. 6d. if the case be before the Justices; and the expenses decerned for, if the case be before the Sheriff.

The case will be adjourned upon the pursuer or defender offering a suitable excuse, or if any witnesses be absent.

If decree be given against the defender in his personal presence, diligence may proceed against him by arrestment, poinding and sale, and imprisonment—after six free days if the case be before the Sheriff, and at the end of ten days if before the Justices.

If decree be given against the defender in his absence, poinding, and sale, and imprisonment can only follow after a charge of six days if before the Sheriff, and ten days if before the Justices.

The defender, on showing cause, may be allowed to pay the sums decerned for by instalments.

The decrees of the Sheriff may be executed in any county on the same being indorsed by the Clerk of such county.

Any arrestments, used in cases before the Sheriff must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed on offering sufficient caution, or on showing evidence of absolvitor, or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever before the Sheriff or Justices, for making effectual arrestments; but in such actions both the defender and arrestee must be cited to appear in Court on the same day.

Decrees, pronounced in this summary form by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary, or, if there be no Circuit Court, by the High Court of Justiciary, at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the Judge.

Such decrees, when pronounced by the Justices, will only be reviewable by a reduction before the Court of Session on the ground of malice and oppression on the part of the Justices; and such reduction will only be competent for one year, and finding caution for costs.

No person will be exempted from the jurisdiction of Justices or Sheriffs in such cases by reason of privilege as a member of the College of Justice.

*Regulations and Table of Fares, for the City Porters.*

By the Police Act, Section 103, no person is allowed to ply, or work on the streets of the City or liberties, for hire, as a Porter, without first entering his name, and place of residence, in a book for the purpose, in the Town Clerks' Chambers, and without giving Bond for the faithful and honest discharge of his duty, under such penalty as to the Magistrates shall seem proper, and without having a badge or ticket containing his number.

Persons wishing to be admitted as Porters must apply to the Magistrates by petition, stating their place of nativity, age, residence, and former employment, and produce satisfactory certificates as to character. On being admitted, and before being allowed to ply, each Porter must implement the above enactment; and he shall thereafter strictly conform to, and observe the following Regulations:—

1st, He shall renew his Bond at the expiry of three years, and on the decease of the Cautioner, or his removal from the City; which decease or removal, he shall, within eight days thereof, intimate, in writing, to the Town Clerks, and Superintendent of Police, and he shall also in the same manner, and within the said time, intimate his own removal, or change of residence.

2d, He shall wear his badge or ticket conspicuously on the left breast of his coat; which badge shall be of brass, and have inscribed the words, "City Porter," and the number, in the order of his admission; and he shall also have a transcript of said inscription painted legibly on the right side of his barrow or hurley.

3d, He shall not, when unengaged, refuse employment when offered, whether on his station or not; and, if he allege previous employment, he shall, when required, specify the nature and time of his engagement.

4th, He shall not demand higher fares than those specified in the sub-joined Table; a copy of which Table, with these regulations, and also a small plan of the City, divided into sections of a quarter of a mile, he shall always have in his possession, and produce to persons employing him, when required.

5th, When stations or districts are allotted to Porters, which shall be done by the Superintendent of Police, the Porters, except on extraordinary occasions, such as the Term time, when they are generally employed at *flittings*, shall not offer themselves for hire beyond the district assigned to them.

6th, Not more than four Porters shall stand at any corner of a street, or other station; and as one station may be more advantageous for employment than another, they shall be so arranged as that each may have an equal opportunity of obtaining it. Thus, if the south corners of Glassford Street shall be deemed the most favourable, the four Porters who have been longest in the service shall take the west corner—the next four in order shall take the east corner—the next four shall take the west corner of Stockwell Street—and the next four the east corner of Stockwell Street; and, when a vacancy takes place, by the employment, or absence for a quarter of an hour, of any on the more advantageous stations, in this order—the Porter first on the next station, for the day, shall have the right of moving to it—that is to say, the first of the four at the west corner of Stockwell Street to the west corner of Glassford street—and the first of the four at the east corner of Stockwell Street to the east

corner of Glassford Street; or the first at the east corner of Stockwell Street may move to a vacancy at the west corner of Stockwell Street. The same rule shall be observed at the Cross, the south end of Candleriggs, and the north end of King Street; the south end of Buchanan Street, and the north end of St. Enoch Street; and at the other parts of the City where there are intersecting streets, or where there are two or more stations near each other.

7th, Not more than six Porters shall resort to, or take up a station at any Coach Office, Inn, or other place at which Stage Coaches arrive. On the arrival of Coaches, the Porters shall stand in a line on the kirb-stones of the pavement; and they shall not leave the kirb-stone, or interfere with passengers' luggage, till singled out and engaged. They shall not importune, call out, or make any signal to passengers for employment; and unless specially selected by passengers, they shall take hire in rotation, each in regular succession.

8th, The object of these arrangements being to ensure good order on the one hand, and a fair opportunity of regular employment on the other, the Porters must strictly attend to their operation. For this purpose, they may establish rules among themselves, provided these are sanctioned by the Superintendent of Police, who may alter or rescind them, and provided they are not inconsistent with the regulations hereby enacted. In the event of dispute or misunderstanding among them, the same shall be determined by the Superintendent. And, as a corrective of improper conduct, the Superintendent may remove such as do not comport themselves with propriety, to an inferior station, and promote the next in order.

9th, No Porter shall appear on his station intoxicated; if he does, he shall be removed, and the next in order shall take his place. All Porters are prohibited from standing on the pavement, or crossings, to the obstruction or annoyance of the lieges; as also from smoking, when upon their stations, or in any manner giving offence. In general, they are enjoined to conduct themselves orderly among themselves, and discreetly towards the public; to obey the instructions of the Magistrates; and to assist the Police in cases of emergency, and on all occasions when required by the Superintendent, or the Officers acting under his authority.

10th, Porters contravening, or not conforming to these Regulations, will subject themselves to a penalty not exceeding forty shillings; which penalty shall be awarded, and the Regulations enforced, in a summary manner, by the sitting Magistrate in the Council Chambers, or Police Court, who may also dismiss from said employment, and deprive of their badge, such as shall offend.

This Table is calculated for the Broomielaw, on the supposition that the tides are only influenced by the action of the sun and moon. It will, therefore be necessary, when using it, to remember, that, in rivers like the Clyde, the regularity of the tides is much interrupted by heavy rains, as well as by high winds, the former producing what are called floods or freshes, the latter altering both the height of the tide, and the time of high water.

Heavy rains affect the hour of full tide in a very inconsiderable degree, but a strong gale from the north-west, north, or north-east, not only prevents the tide from rising so high as usual, but causes high water to happen sometimes above half an hour earlier than what is stated in the Table, while, on the other hand, if the gale be from the south-east, south, or south-west, the tide will be as much later, and probably from 12 to 18 inches higher than the average.

The preceding Table will be applicable to the following places, if, to the time of High Water at Glasgow, the hours and minutes, opposite to the given place, be added or subtracted, as directed.

**ROYAL HOTEL,**  
**GEORGE'S SQUARE.**

WILLIAM MENZIES begs respectfully to announce to his Friends, and the Public generally, that he has opened that extensive and splendid Establishment on the north side of George's Square, and corner of North Hanover Street, known by the name of THE ROYAL HOTEL.

The establishment is peculiarly commodious, the furnishings of the best possible description, the Suits of Rooms for Private Families elegant, convenient and comfortable, and the situation one of the most airy and retired in the city—the Royal Hotel being, in all respects, equal to any establishment in the West of Scotland.

A large Front Room is appropriated exclusively to Commercial Gentlemen, and the extensive Stables and a Coach House are immediately contiguous to the Hotel.

**THIS SOCIETY**

HAS for its basis *economy combined with security*—the terms of Assurance for Young and Middle-Aged Lives being much *lower than those of any other Office which gives a bonus to the Assured*; and a full statement of its affairs is annually made to the Share-holders and Policy-holders, who have a controul over the Society.

*Three-fourths* of the profits are now divided among those Assured on an equable scale, for the whole term of life, after the Policies shall have been in force four years; and, eventually, *the whole of the profits* will be so divided.

*A bonus was declared* up to the end of 1833, which gave to Policy-holders, on an average, SIXTEEN POUNDS PER CENT. upon the amount of premiums paid. Persons assuring during the year 1834, will be entitled to share in the profits to be divided up to the end of 1838.

Endowments for children are granted, and Assurances on Joint Lives, Survivorships, Survivorship Annuities, as well as every species of Life contingency, at rates proportional to the nature of the risks, which are as low as possible compatible with security to the Assured.

Assurances are also effected, either by paying small premiums at first, and increasing them every five years, or by paying a high premium at first, subject to periodical abatements, and, ultimately, the payments to cease altogether. In fine, persons may be Assured in *any way* which may be best adapted to their circumstances or wishes.

Medical Referees are appointed in most cities and large towns, and every information may be obtained and Prospectuses and Tables had, *free of expense*, from the Agent.

**ASYLUM**

**Foreign and Domestic Life Office,  
70, Cornhill, and 43, Pall-Mall, London,**

THE HONOURABLE WILLIAM FRASER, Chairman,  
COLONEL LUSHINGTON, C. B. M. P. Deputy Chairman,  
And Ten Directors.

**The Lowest Rates ever Published.**

WHETHER FOR A TERM OR FOR THE WHOLE OF LIFE.

The following are selected from the Even Rates.

| Age. | Whole Life. | 7 Years. |
|------|-------------|----------|
| 20   | 1 11 9      | 0 17 1   |
| 30   | 2 2 0       | 1 2 10   |
| 40   | 2 17 1      | 1 10 8   |
| 50   | 4 2 0       | 2 1 7    |

**ALTERNATIVE.**

One-third of the Premium may be left unpaid, to be deducted from the sum assured, on a scale equal to interest at 4 per cent.

Thus, at the age of 30, 20 Guineas a year, will insure £1500 in the first instance, to be reduced by £10, 18s. 5d. if the Assured die within the first year; by £59, 2s. 11d. if he die within the fifth year; and so on, according to a scale endorsed on the Policy.

**Ascending Scale of Premiums.**

| Age. | First 7 Years. | Next 7 Years. | Every Year after. |
|------|----------------|---------------|-------------------|
| 20   | 1 1 4          | 1 6 2         | 2 4 7             |
| 30   | 1 8 7          | 1 15 1        | 3 0 11            |
| 40   | 1 18 3         | 2 7 0         | 4 9 8             |
| 50   | 2 11 11        | 4 0 11        | 7 0 3             |

A man at 30,—instead of £2, 2s. for every year of life, according to the Even Table, by adopting the Ascending Scale—will pay £1, 8s. 7d. per annum for the first seven years, £1, 15s. 1d. per annum for a further seven years, and £3, 0s. 11d. for every year of life after.

This scale ought to supersede all others in cases of Annuity or Leases, for lives, in which very low rates for so long a period as 14 years, will be found highly advantageous.

**INSURANCES ON THE LIVES OF OTHERS.**

Parties having a fixed or variable interest in the lives of others, may have a general admission of interest on the Policy.

Contingent interests,—as a father insuring a child during minority, or a husband his wife,—will be admitted, the insurance being confined to the particular interest detailed in the proposal.

---

**VOYAGES AND FOREIGN RESIDENCES.**

Persons voyaging or residing abroad, Masters, Supercargoes, and others, insured for the whole of life or for a specific voyage.

**NAVAL AND MILITARY SERVICE.**

Officers insured against all risks, for an even premium, or enrolled for a future period, on payment of an annual fee.

**PREGNANCY, DELICATE HEALTH, AND OLD AGE.**

Females need not appear; the rates for diseases are moderate, and Policies are granted to persons of advanced age.

Insurances may be effected without delay, and full particulars obtained from
